

SPECIAL ASSEMBLY 5 E

Responsibility is the price of greatness. It has been very rightly said that “The more you take responsibility for your past and present, the more you are able to create the future you seek.”

The students of class V E presented a special assembly on the topic 'RESPONSIBILITY' on 27.08.19. They superbly brought to light the importance on being responsible in life. The whole class participated in the assembly and glorified the virtue of being responsible through a thought provoking skit, a meaningful poem, a melodious song and dance. The students impressed one and all with their clear and confident speech, natural acting skills and sense of music and rhythm. The class put up an amazing show and won everyone's heart with a magnificent performance.
