

CLASS-III-B
TOPIC OF ASSEMBLY- ROAD SAFETY
DATE-11.12.2018

Road safety refers to the methods and measures used to prevent road accidents. In most of the cases, accidents occur either due to negligence or due to lack of road safety awareness. As a responsible citizen, we should follow all the road safety measures.

It is said-If you start early from your destination, and drive slowly, following all the traffic rules, you will definitely reach safely.

The students presented a Poem, Nukkad Natak, and Dance on road safety.

Wonderful show by the students.
