The students of class 5 D presented a special assembly on 6.12.18. The theme of the assembly was **Obedience – the key to success**. The assembly commenced with chanting of mantras and the school prayer. The children updated everyone with the news headlines followed by the weather report.

As our school has enrolled for International school Award so one child of the class updated us with the latest activities going on in the school. (**The Games with play**) in collaboration with our partner school in Nigeria. The Children of the class presented a small skit on the topic where a small girl Andy who is disobedient towards her parents learned how to be obedient. The skit motivated everyone to become obedient. Students of the class also gave some suggestions and made the assembly more melodious with song and dance. Their efforts were applauded by the school Principal **Ms Charu Maini**.
