

## **BEST OUT OF WASTE ACTIVITY-- Class I & II**

'Best Out Of Waste' Activity was conducted on 18.01.19 in Class I & II, where the students showcased their creative and imaginative skills by reusing the used objects such as old CD's ,cans, tissue rolls, foil paper rolls, pet bottles, wool, bangles, peanut shells etc. They designed various objects such as a pencil stand, photo frame, bird feeder, jewellery box and many more. This activity gave wings to their imagination and they handcrafted beautiful items out of waste. The best creations were appreciated and rewarded and the idea behind the activity was justified to reuse the used objects and create an eco friendly environment around us. The winners of the activity are:
