

ORDERING IS FUN – CLASS II

On 19th Nov, 2018, an activity ‘Ordering Is Fun’ was conducted for students of class II. In this activity, students were divided into groups and were provided with the slips over which the instances of a story were written. They were supposed to put the instances of the story in proper sequence. The group taking minimum time was declared to be the winner of the activity. Thus, the activity lead to enhance the logical skills of the students and was enjoyed a lot by them.
