

Special Assembly Class II-D

On 11th Oct, 2018 the students of class II-D presented a special assembly on the topic 'Friendship' to showcase how a friend can be a guide, philosopher and a mentor. A friend is a significant part of our life and it is hard to imagine life without them. The assembly emphasized on the fact that a true friend gives us every reason to smile and they spread the fragrance of love in our life.

The assembly began with a salutation of revered parents and Respected Principal ma'am by a beautiful thought, which was followed by News Headlines, Vocabulary building words and a short skit on the friendship covering all the attributes of a true friend. The assembly also helped the students in imbibing the values of being a good friend. The anchors set the stage for the theme of the assembly on a cheerful note with a song 'You Me, Me You, Friends Forever' centered on the importance of friends in our life. The enchanted audience filled the arena with robust claps.
