

Collage making activity (UKG)

Collage making activity for the theme ‘ Community Helpers ‘ was taken up by the class UKG in a fun filled way during the week starting from 02.07.18, wherein all the children got the opportunity to take up the task of pasting different pictures of community helpers on a sheet. All the pictures in the form of collage gave them the opportunity to children to enrich themselves with plenty of information .They were seen sharing the information with their buddies too.
