

HUNT THE RIGHT PLACE ACTIVITY (CLASS II)

On 20th Sep, 2018, 'Hunt The Right Place Activity' was organized for students of Class II. Students brought the pictures of various animals and then they had to differentiate among the pictures on the basis of the eating habits of the animals. They pasted the pictures under the categories of herbivorous, carnivorous and omnivorous animals. Thus, the activity lead to make a beautiful collage and proved to be learning with great fun.
