

Hindi Group Song Competition

A Hindi Group Song Competition was organised on 16 May. It was an inter-house competition in which the children exhibited their singing talent and beautifully sang melodies dealing with devotional themes. The environment in the auditorium became devout, holy and pristine as the air resonated with devotional songs. While one group sang hymns of Lord Krishna, another mesmerised the audience with hymns about Lord Rama. The competition which went on for more than one hour kept the audience as well as the judges enthralled. The tuneful melodies, the bright costumes of the children, the enactment of the songs and the informative PPT's, all added to the vibrant performance by all the houses. The young talent that was showcased was indeed impressive and the participating groups won everyone's heart. The judges had a tough time choosing the winners! Finally Kirti House won the First Prize, Neeti House won the Second Prize and Shakti House was awarded the Third Prize.
