

## **LANTERN MAKING ACTIVITY – (CLASS 1)**

On 12.10.18, class 1 participated in ‘Lantern Making Activity’ to mark the festivity. The students handcrafted beautiful lanterns by using papers, bottles, plastic jars etc. and used techniques like paper folding and quilling to make the base of the lantern. They further decorated them with various craft materials like mirrors, sequins, glitter, stars etc. and exhibited their talent. All the students participated enthusiastically and the activity was well enjoyed by all. The winners of the activity are:
