

L'LL CHEFS ACTIVITY- SMILEY BISCUITS

The enthusiastic Master chefs of Pre nursery made delicious smiley biscuits on 19.04.2018. They were excited to taste the lip smacking snack and were eager to share their first recipe with their moms at home. This activity was a perfect example of “play way and fun learning,” as they recapitulated the concept of Circle shape through Marie biscuits and sharpened their culinary skills by decorating their biscuits with chocolate syrup and gems.
