

## FANCY DRESS ACTIVITY (LKG)

“Life is one big fancy dress party.”

The activity “Fancy Dress” was conducted for the learners of class L.K.G. on 22 October 2018 to help them learn more about the ongoing theme ‘Animals’. Children were super excited to be dressed up as different animals and birds and speak few lines about them. It was great to see our little champs dressed up adorably as cute little animals and birds. Each child got an opportunity to come up and speak a few lines about what they were dressed up as. The motive for conducting such an activity was to boost the confidence of students, giving them a stage to perform, at this tender age. It was a fun day filled with lots of learning
