

FOOT LOOSE ACTIVITY(L.K.G.)

“Dance is the hidden language of the soul through the body.”

A solo dance activity “Foot Loose” was conducted on 27 July 2018 for the learners of L.K.G. It was mesmerizing to see little ones dancing on the rhythm, shaking legs on the beats, showing their immense talent and passion for dance. This activity helped them to create self-discipline, maintain stage consciousness and also inculcate qualities of self-expression by exploring their ingrained flair and forte for dancing. Children enthralled the audience with their well-choreograph dance sequences and provided thorough entertainment with their graceful and energetic moves.
