

GRACE WITH WASTE ACTIVITY (LKG)

Learners of L.K.G. enthusiastically participated in 'Grace With Waste Activity' held on 14 November 2018. The children showcased their talent by using the waste materials like ice cream sticks, pet bottles, old cd, bangles, newspaper etc. This activity was mainly taken up to inculcate the value of Reduce, Re-cycle, Reuse among them. It was amazing to see little ones transforming the scrap into useful and beautiful articles like paper bags, candle stand, photo frames, spoon holder etc.
