

### **‘SHOW N TELL (CLASS - II)**

To strengthen the verbal skills and to foster public speaking competency of young minds, on 14th Sep, 2018, a show n’ tell on ‘Your Favourite Neighbourhood Place’ was organized for students of Class II. The students participated enthusiastically for the activity. They brought the charts, posters, models etc. to show their favourite neighbourhood place and were excited to share the descriptive narration about the same with their peers.

Thus, the activity helped to build the social ,emotional and language skills of the tiny tots.
