

RED COLOUR DAY

“Colours colours everywhere....Colours Colours here and there ..”

What could have been more interesting for the tiny tots of Pre Nursery than learning about new colours through a fun packed “ Red Colour Day”. A ROOHAFZA party was organized for the children and they all swayed to the peppy tune of the song “Shake it Shake it Shake it...”. The story of “LITTLE RED RIDING HOOD” was presented to them through a puppet show which enchanted them and took them to the world of classic fables.
