

ROLE PLAY (CLASS II)

In order to hone the oratory and auditory skills among the students, on 21st July,2018, a 'Role Play On Doctor and Patient' was organized for Class II. In this activity, the students assumed the role of a doctor and a patient. Then, they came up to enact their roles.

The activity lead to develop deeper understanding of the chapter read by students in the class. It helped the students to develop their confidence, speaking skills and enhanced their creativity to enact for the given role according to their own assumption. The students enjoyed the activity a lot!!
