

Role Play-The Puss and The Parrot

On 16th April, 2019, 'Role Play' of Puss and the Parrot was conducted for the students of class II.

In this activity the students assumed the role of Puss and Parrot respectively. They delivered their dialogues with proper voice modulation and dramatization.

This activity helped the students to develop their confidence, speaking skills and further enhanced their story telling ability.

The students enjoyed the activity a lot!!
