

STORY SESSION

(11.04.18)

“You can find magic wherever you look

Sit back and relax, all you need is a book.” - Dr. Seuss

Stories play a vital role in the growth and development of the children. The books they read and the characters they get to know can become their friends. Story books take them to the realm of imagination. The beauty of stories is that they can be super realistic or incredibly fantastic. Envisaging this philosophy, Story Session was planned for the students of L.K.G. on 11.04.18.

The students enjoyed the Story - 'Mimi-The Selfish Kitten'. The children went back with beaming faces asking for more such story sessions to be held in future.
