

## TRAFFIC LIGHT –ACTIVITY

(11.07.2019-12.07.2019)

Integrating Art into lesson plans not only improves the quality of learning but also helps in boosting creativity and self-confidence in the child. Under the 'Transport theme' students coloured the traffic light and glued the cut out of different colours of traffic light in correct sequence. Students were taught about the significance of different colours of light in a traffic signal .Students were super excited throughout the activit
