

The Hungry Croco (CLASS –I)

On 8th April, 2019, the concept of ‘Greater than, Lesser than and Equal to’ was introduced to the students through the story ‘**The Hungry Croco**’. For making the concept more enjoyable and easy to comprehend, puppet of crocodile was shown to them. An interesting story was narrated to the children to make them understand that the Croco will always open its mouth to chase and eat the bigger number. The children loved the story narration and thoroughly enjoyed while participating and enacting in the activity.
