

CHRISTMAS DECORATION

“Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful”. To celebrate this season of joy and giving the students of class 3 indulged in many creative activities. Decorating homes and the Christmas tree is an integral part of this beautiful festival. So the students learned about different types of Christmas decorations such as stockings, reindeer, candy stick, snowflakes etc. They used a variety of materials like cotton, paper plates, glitter sheets, ribbons etc to make Christmas decorations. They also coloured and decorated images of Santa Claus and decorated Christmas trees to ring in the festive spirit.
