

WOODEN SPATULA, PUPPET-MAKING ACTIVITY

Wooden spatula puppet making activity was conducted in class I, where the students showcased their creative and imaginative skills by making puppet with a wooden spatula. They designed various characters such as a king, a queen, a fairy, a bride, a groom, a mermaid and so on by using various accessories, fabric scraps and craft material to decorate the spatula. This activity gave wings to their imagination and they expressed it very well. The best creations were appreciated and rewarded and the idea behind the activity was justified.
