

CHOOSE THE CORRECT ARTICLE(CLASS II)

On 03 May, 2018, ‘Choose The Correct Article’ activity was conducted for students of class II. In this activity, slips of various words were provided to the students and a chart with heading ‘a’ ,‘an’ was displayed in the classroom . The students were supposed to read the word written over the slip and to paste it under the correct heading on the chart.

Thus, alongwith the clarity of the concept of a/an, the activity proved out to be a learning with lots of fun.
