

MEMORY RACE (CLASS II)

On 25th April, 2018, 'Memory race' activity was conducted for students of Class II. In this activity, names of 7 – 8 body parts were spoken by the teacher and after listening to it, the students were supposed to write those names in correct sequence within the given time limit. Students who came up with completing the task at the earliest were declared as winners of the game.

Thus, it lead to enhance their memory and listening skills in a fun filled way.
