

FIND YOUR PARTNER (Class II)

In order to recapitulate the concept of change the gender, on 12th November, 2018, an activity ‘Find Your Partner’ was conducted for students of Class II. The students were provided with the slips with various genders written over them. Each student was supposed to pick one slip and after that they had to find their partners. Thus, the activity lead to reinforce the concept in a very interesting and fun filled way.
