Dear Parents

Holidays are meant for rejuvenation when children have ample time for fun and frolic. This leisure time can be suitably used to discover the latent talent and pursue hobbies. Teachers, have, therefore, assigned projects and other assignments so as to encourage learning by doing and to keep them occupied with constructive work. I request the parents to supervise the efforts of their children and guide them accordingly. At the same time we would like to inform the parents and children that the Library Resource Centre remains open throughout the summer vacation. Children can make use of it by visiting the Library and developing good reading habits.
