

## **PICK AND TELL ACTIVITY - CLASS I (09.04.2018-13.04.18)**

‘PICK AND TELL’ Activity was conducted to recapitulate ‘ee’ words. The whole class was divided equally and the students were briefed about the activity to form a circle and pass the basket while the music plays. They individually picked the ‘Stick Word Card’ from the basket, as the music stops. The students identified the word and framed sentences of their own. The idea behind the activity was to enhance their vocabulary and to motivate them to frame sentences independently. The activity was a complete brainstorming session and was enjoyed by all the students.
