PLACE OF VISIT-The Humayun's Tomb

DATE- 20.11.2018

NAME OF THE GUIDE- Ms.Sumila and Mr.Hammid

The students of class 5 went on an educational trip to Humayun's tomb which is situated in Nizamuddin, New Delhi. The students were amazed to see the beautiful architecture of the tomb. They gathered useful information about Humayun's life and a lot about the Mughal architecture like – the tomb was built in 1560 by the Persian architect, it was built on the orders of Humayun's wife-Hamida Begum in the memory of Humayun, the tomb is also known as the 'Dormitory of the Mughals' as more than 150 graves of Mughal royal family are there. It comprises of several other tombs in its complex like – The Tomb of Babur, Afsarwala Mosque etc.

After sightseeing the students were indulged in two activities which were Sanjhi art and Calligraphy. The students had a fun time doing these activities. They were very curious to gain knowledge about the tomb which is a major tourist attraction all over the world. After the visit to the tomb we can say that the tomb is a beautiful glimpse of the Mughal architecture.

To gauge the knowledge of the students they will be given fun worksheets related to their visit to the Humayun's Tomb. Overall it was an awe-inspiring trip for the learners.
