

WORLD BOOK DAY

(23.04.18)

“TODAY A READER, TOMORROW A LEADER”

-Margaret Fuller

Books give a soul to the universe, wings to the mind, flight to the imagination and life to everything!

To celebrate World Book Day and to ignite the desire of reading in our children,

Reading Session was planned for the learners of L.K.G wherein the teacher discussed with them that Reading improves concentration, helps to know the world around us, increases vocabulary, relaxes the body, calms the mind and is a great form of entertainment. The session gave a new dimension to inculcate the habit of reading among kids.

To keep the enthusiasm alive, a Puppet Show was conducted by 'Mr. Mukesh Pandey' for our little ones. They were dazzled with the gripping stories and were delighted to meet all the puppets. Children went back with memories to cherish forever.
