## HOLIDAYS HOMEWORK CLASS VI – X

### THEMES

EK BHARAT SHRESHTHA BHARAT

&

SUSTAINABLE DEVELOPMENT GOALS

Dear Students

Holidays are a much-awaited time that brings joy, relaxation, and the chance to unwind from the regular routine. They offer a perfect opportunity to explore your interests, spend quality time with family, and rejuvenate your body and mind. However, holidays become truly meaningful when we strike a balance between fun and learning. This holiday homework is designed not as a burden, but as a joyful journey-filled with creative activities, reflection, and light academic practice. Engage with it at your own pace, stay curious, read something new, and don't forget to laugh, play, and spread happiness. Remember, a happy heart learns best. Wishing you a refreshing and fruitful vacation!

**HAPPY  
HOLIDAYS**

## IMPORTANT INSTRUCTIONS:

You are required to choose any ONE theme from the following two:

- Ek Bharat Shreshtha Bharat (Haryana vs Telangana)
- Sustainable Development Goals (SDGs)

Once you select a theme, you must complete the holiday homework for all subjects based on that one theme only. This will help you explore the topic in depth through different subjects and enhance your understanding in an interdisciplinary manner.

Be creative, thoughtful, and original in your responses. Use visuals, data, and real-life examples wherever possible.

Review the two themes provided in the separate links carefully.

Select and work on only one theme of your choice.
